APP INSTRUCTIONS
Setting Up Reminders RxLocal

Careteam+
FAMILY HEALTH & SPECIALTY CARE ®
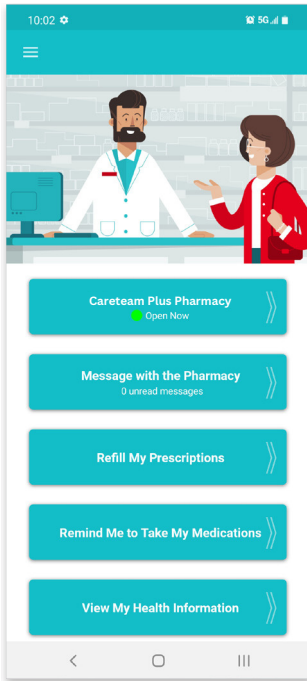

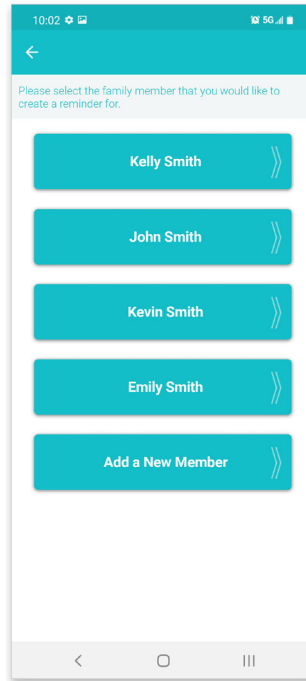

1
Once you log into the app, select "Remind Me to Take My Medications"

2
Select the person for whom you're creating a reminder

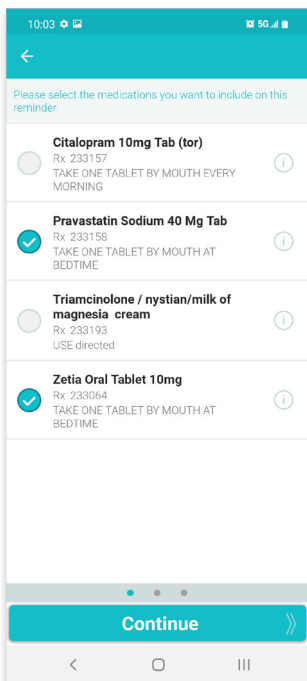

## 3
Select "Create New Reminder"

4
Select the medication you wish to create a reminder for and touch "Continue"

5
Use the tabs at the top to select the frequency of your reminder and touch "Continue"

6
Set up the reminder time and touch "Save Reminder"

TIP: Set up additional times if needed
