**Dr. Ronald C. Griffin Appointed CEO of
Careteam Plus Family Health & Specialty Care**

CONWAY, SOUTH CAROLINA — The Board of Directors of Careteam Plus Family Health & Specialty Care is pleased to announce the appointment of Dr. Ronald C. Griffin, DNP, MHA, RN, NEA-BC, as its next Chief Executive Officer, effective January 4, 2027.

Dr. Griffin has more than 25 years of healthcare leadership experience spanning community health, executive leadership, clinical operations, regulatory compliance, strategic growth, and health equity. A registered nurse and board-certified advanced nurse executive, he has focused his career on strengthening healthcare organizations, developing high-performing teams, and improving access for underserved communities.

Most recently, Dr. Griffin served as Chief Operating Officer and Chief Compliance Officer of Betty Jean Kerr People's Health Centers in St. Louis, Missouri, a Federally Qualified Health Center, where he provided executive leadership across operations, compliance, clinical services, patient access, organizational growth, facilities, and the integration of primary and behavioral healthcare. His previous leadership experience includes roles with the St. Louis County Department of Public Health and Washington University School of Medicine.

Dr. Griffin earned his Doctor of Nursing Practice in Executive Nurse Leadership from Baylor University, Master of Health Administration from Webster University, and Bachelor of Science in Nursing from the University of Missouri–St. Louis. He is a Registered Nurse and holds the Nurse Executive, Advanced–Board Certified (NEA-BC) credential.

In accepting the appointment, Dr. Griffin said:

“I am honored by the confidence the Board has placed in me and excited to join Careteam Plus. My commitment is to listen, lead with integrity, invest in our people, and work alongside our Board, team, patients, and community partners. Together, we can build upon the Careteam Plus strong foundation, expand access to care, strengthen the communities we serve, and position the organization for sustainable growth and an even stronger future.”

Dr. Griffin's leadership philosophy emphasizes people, mission, accountability, collaboration, and data-informed decision-making. As CEO, his priorities will include advancing the Careteam Plus mission, supporting and developing its workforce, strengthening operational and financial performance, expanding access to integrated care, cultivating strategic partnerships, and pursuing thoughtful growth across Horry, Georgetown, Williamsburg, and surrounding communities.

Dr. Griffin also brings a strong record of civic leadership, including service as a Trustee of the City of St. Louis Mental Health Board and on the board of the Area Resources for Community and Human Services (ARCHS).

Please join the patients, employees, providers, community partners, and Board of Directors in welcoming Dr. Ronald C. Griffin to Careteam Plus and the South Carolina community.
